Friend of the Library,

The exponential growth of Athens and Limestone County has directly impacted the patronage of the Library in a very positive way. Over the past year, there have been 10,550 newly registered library patrons. Also in the past year, there have been over 80,000 visits to the library with 227,300 items borrowed. There were 857 programs offered by the library which were attended by 18,500 adults, teens, and kids. The Library is thriving!

The financial support of the community is crucial to the Library as it seeks to remain relevant and growing. Funds donated to the Foundation are used to increase the Library's physical and digital collections, provide resources and supplies for our programs, and maintain the facility and the Library Garden.

Will you partner with the Library as it grows and continues to serve our community? Donations can be made online at alcplfoundation.org or via check payable to ALPL Foundation. We welcome your support and look forward to serving our community for many years to come.
