

Our Fundraiser

The Athens-Limestone Public Library Foundation is raising funds to keep our garden growing! Since the completion of the first phase of the Garden, it has become a much loved part of the Library and the community. Patrons enjoy the bubbler rocks, beautiful flowers, and seasonal herbs and vegetables when they visit the garden for Storytime or want to find a few minutes of relaxation. The Garden is available for events, family activities, and outdoor STEAM (science, technology, engineering, art, and math) education.

The Foundation is excited to announce the addition of a permanent Storybook Walk in the Garden.
